

TAGBOX

**A silver bullet
for your
supply chain**

Our Clients in the **Pharma Industry**

- Pharma MNCs
- E-commerce pharmacies
- Diagnostic labs
- Hospitals
- Speciality clinical diagnostics companies
- Pharma logistics and packaging providers

Our Impact on the Sector

Pharma Distribution

- **Real-time visibility** across global hops
- **Faster trip qualification** leads to reduction in drug release time from 48 hours to 6 hours
- Complete **digital compliance record** of critical parameters
- **Root cause** identification, including tarmac exposure
- Semi-**Automated CAPA**, saving USD 3,000-10,000 per excursion

Clinical Diagnostics

- 40% improvement in **temperature compliance**
- 95% **sample traceability**
- 20% improvement in phlebotomist **on-time performance**

Specialty Diagnostics

- **Pre-conditioning alerts** lead to 95% temperature compliance
- **Traceability of sample** and its **quality** across inter-city shipment
- Conduct **R&D** (like packaging selection) with 10X samples at **minimal cost implication**

Online Pharmacy

- **Traceability of medicines** from inward to storage to dispatch to end-customer doorstep
- 30-40% improvement in **temperature compliance**

Problems **We Solve**

Our **BoxLens™** Platform

We provide an easy-to-deploy, easier-to-scale, industry-grade platform to create complete visibility of your supply chain.

Real-time Sensing to monitor temperature, humidity, shock, light, energy, and location

Predictive Insights to identify excursion, theft, or damage risk and help in better planning for the supply chain

AI-driven Actions to help resolve real-time or systemic supply chain problems

Why TagBox

We deploy sensors, integrate our platform with your ERP, operationalize analytics, and enable actions

Completely wireless setup – no operational hassles, no down-time

Fully configurable software platform – complete control in your hands

Proprietary Early Warning Signal models for product-health risk prediction

Our Increasing Footprint

10K+ Sensors

500K+ Trips

6K+ Assets

1M+ Insights & Actions
